

Hood not in use? Drop the sash.

Lower your sash for safety and energy efficiency alike.

veic

Not using me? Unplug me.

Save energy: Unplug countertop appliances when they're not in use.

DECARBONIZE
OUR BUILDINGS

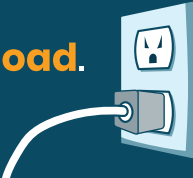

There's nothing worse
than a **shameless plug**.

Not using it? Unplug it.

Beware of
phantom load.

It really sucks.
Unplug it.

Elevate

energy efficiency.

Take the stairs if you can.
